Email address	
Date of rejection for the RePIC programme	

Please explain the main reason for your appeal and provide arguments that support your appeal:

The above-mentioned applicant launching the appeal declares that:

1. The applicant was informed about his rights to launch an appeal based on the decision of the RePIC Admission & Examination Committee received by email.
2. The applicant understands that only a fully completed appeal form submitted in English will be considered.
3. The information stated in this appeal form is correct and has been answered truthfully.
4. The applicant submitted the appeal from within 7 days after notification in PDF format via: appealrepic@ruhr-uni-bochum.de
5. The applicant declares that all application documents mandatory for admission listed below have been submitted in PDF format via the upload section of the official RePIC application portal before the official deadline (1st of March 2024):
   - a copy of passport,
   - a certified copy of the Diploma (if this document is not in English, an official translation should be attached) and, if available, of the Diploma Supplement. In case that a bachelor's degree has not yet been handed out to an applicant, a declaration from the relevant authorities that the requirements of a Bachelor degree have been satisfied, must be submitted instead.
   - certified copies of academic transcripts (if this document is not in English, an official translation should be attached),
   - a Curriculum Vitae in English,
   - official proof of language abilities, where applicable.
   - a structured motivation letter describing the specific interest in the RePIC programme and the envisaged contributions to the programme.
6. The applicant is aware that the decision by the RePIC Academic Director is final.
