

UNIC Thematic Lines Awards

LOCAL ANNEX – University of Liège

Throughout UNIC's EU-funded project period (2023–2027), six **Best Paper Awards** and four **CityLab Awards** will be presented to participants from the UNIC universities.

Each UNIC Best Paper Award is accompanied by €750 worth of support through the UNIC fund of the author's home institution. Each co-lead applicant in the selected UNIC CityLabs Award will receive 500 euros in support (or equivalent in support or goods), through the UNIC fund at the applicant's home institution.

Should staff members from ULiège University secure one of these awards, the following guidelines apply:

- The funds will be transferred to the applicant's Department (OTP) at ULiège University.
- The funds can only be transferred to academics with ongoing valid contracts at the time of prize reception.
- The prize money may be spent on courses, translations, workshops, digital equipment, books, attendance to congresses or trainings, or international work travel expenses.
- Subcontracting is not allowed.
