# UNIC Thematic Lines Best Paper Awards and Best City Lab Awards

## Local Annex – Malmö University

Throughout UNIC's EU-funded project period (2023–2027), six Best Paper Awards and four CityLab Awards will be presented to participants from the UNIC universities. Each UNIC Best Paper Award is accompanied by €750 worth of support through the UNIC fund of the author's home institution. Each co-lead applicant in the selected UNIC CityLabs Award will receive 500 euros in support (or equivalent in support or goods), through the UNIC fund at the applicant's home institution.

Should staff members from Malmö University secure one of these awards, the following guidelines apply:

### Award Benefit – Best Paper at Malmö University

- Award winners who are members of staff at Malmö University will receive a grant equivalent to 750 euro that can fund courses, workshops, literature, conference participation (nationally and internationally) or professional travel (accommodation and transport costs)
- The funds will be transferred to the applicant's Department at Malmö University

### Award Benefits – CityLab at Malmö University

- Award winners who are members of staff at Malmö University will receive a grant equivalent to 500 euro that can fund courses, workshops, literature, conference participation (nationally and internationally) or professional travel (accommodation and transport costs)
- The funds will be transferred to the applicant's Department at Malmö University
